November 2018

## A Message from Pastor Michelle

This weekend, St. Peter's United Church of Christ celebrates our 150th Anniversary here in the Village of Saukville, WI in Ozaukee County. When you think of 150 years, you think of the fact that 150 years is one century and a half of a second century. This covers a multitude of generations of persons who have walked through the doors of St. Peter's United Church of Christ and experienced the Love of Christ from all of the beautiful persons over the decades who have counted themselves as members of the St. Peter's family. What a Blessing!

I am mindful of the fact, that almost one year ago on Sunday, November 5, 2017, this congregation called me as their first female pastor, their first African American pastor and their first all-gender loving pastor in the 150 year history of St. Peter's. But, the congregation did not stop there. Last June, this faith community held a visioning meeting where dreams, ideas, values, mission initiatives and identity were discussed. At that time, discussion started on changing the name of St. Peter's United Church of Christ. Suggested new names for St. Peter's were sent forth by the congregation and in an October 2017 meeting, the congregation met and decided to change their name to Parkside Community United Church of Christ signaling a new focus and vision for St. Peter's UCC here in the Village of Saukville, WI. The decision was also made to do the name change as a DBA (doing business as) so legally we are still St. Peter's United Church of Christ and to be honest with you, the St. Peter's UCC legacy is forever a symbol of pride, success and a loving faith community so it is fitting that it is still our legal name.

I continue to be honored to serve as your Senior Pastor. I am also honored and blessed to be the first Senior Pastor of Parkside Community United Church of Christ! I truly believe God is guiding us to a new and vibrant future. The legacy of St. Peter's UCC will not allow us to be nothing but have a wonderful and successful future as Parkside Community UCC. If we dream, believe in our Creator God and care for each other in loving community, I have no doubt we can reach new levels and heights in our ministry than we could possibly imagine.

So Let's Get This Celebration Started! See you in the Sanctuary on Sunday, October 28, 2018! Rev. Franz Rigert, our Wisconsin Conference UCC Conference Minister will be our special guest and will bring an inspiring word from Mark 10: 46-52 and Jeremiah 31: 7-9! Let's lift up the next 150 years to the one who created us All!

# VOTE!

Vote Faithfully by Minister Jason Carson Wilson, M. Div., Justice and Peace Policy Fellow UCC

Oppression silences voices and hampers dreams and ambitions for ourselves and our neighbors. Liberation lets those voices be heard. God's liberation opens the door for dreams and ambitions rooted in justice to have the chance to become reality. Casting a ballot is one way to proclaim liberty to the captives and to the oppressed go free. Let your faith liberate you.

Let our faith inform our vote!

'Shout out, do not hold back! Lift up your voice like a trumpet!'

— Isaiah 58:1

## Lift Every Voice

Friends,

In Hebrew Scripture the word most often translated "voice" is "qol." This is also the word translated as noise, or sound, or vote. In a broader sense, I would say the Hebrew word, qol, simply means letting oneself be heard. Using our voice to make a sound is certainly one way to be heard, and using our vote is another.

Our vote is the means we have to make an impactful noise about the local, state and national issues that concern us. Voting is a powerful tool, and this is why we see so many focused efforts targeted at voter disenfranchisement. This is why districts are redrawn and political parties engage in gerrymandering. This is why voting rights legislation and access to the polls is constantly being challenged.

So as people of faith, what is the noise we want to make in the 2018 election cycle?

What are the sounds of affirmation or dissent that must resound loudly through this election cycle for school board members, state representatives, for mayoral and gubernatorial elections? What are the sounds of the faithful that must ring through the halls of Congress signaling our desire for change?

No matter your opinion or political affiliation, your voice - your vote - matters and you deserve to be heard.

This is why it is critical for faith communities to engage in nonpartisan voter registration, education and empowerment programs to help us make some holy noise by lifting up the common good through our political process.

These are difficult, complex and challenging times. There is much at stake as we head to the voting booths this November. An unprecedented level of divisive and heated rhetoric dominates the airwaves and public dialogue. A substantive, thoughtful, respectful exchange of across differences on the key issues of the day is becoming harder to achieve. And the disproportionate influence of money in campaigns threatens to drown out the voice of the average voter.

This is precisely why our voice and our votes matter. Churches can play a unique role in this election cycle by encouraging respectful, informed dialogue that builds community and a hope-filled vision of the future that includes all people. We can help restore the soul of democracy.

The UCC Our Faith Our Vote toolkit provides information and ideas to assist individuals and congregations with engaging the electoral process in nonpartisan and meaningful ways. We must equip ourselves, and our communities, to make thoughtful, informed decisions about those who will lead us in the future. The Our Faith Our Vote campaign is one way to help us lift up our voice. We hope you will join us in this effort.

*Hi All,*

*The Sip & Sample fundraising committee is busy recruiting fabulous restaurants to participate in our event with the YMCA again this year. We would love to have our churches help us with the silent auction by perhaps putting a basket together of something fun or perhaps provide some tickets to sporting events or the arts. Perhaps you have a craftsman or artist that might make something for the auction. Crossroads is going to put together a basket of board games and fun family activities. whatever you think might interest our guests and convince them to bid high.*

*Tickets for the event will be available in a couple of weeks so make sure all your friends know about it and have a chance to participate.*

*Thanks for your support!*
