Our Prayer Team's prayer list is updated every month. Please let Gail Weigel know if you are interested in this mission. You are asked to pray for a specific portion of the list in whatever way you are comfortable. Information is sent via email so you do not need to pass it on.

We are thankful for all of our volunteers and we are looking for a few additional folks to serve!

We specifically are looking for one or two more people to add to the Fellowship Time rotation. This simply involves arriving a little early to make the coffee and staying a little late for cleanup. Instructions, training and help provided! Everyone looks forward to our Sunday fellowship, how about taking a turn to keep it going strong?!

If you would like to volunteer to help, please contact Carrie in the Church office at saukvilleucc@att.net 262-284-0588.

Saturday, June 8th from 4:00-7:00 pm – Parking Lot Party

Grand Avenue United Methodist Church (505 W. Grand Ave.) is throwing a party to celebrate the recent parking lot renovation AND all of the amazing work God has done through local ministry partners, including Lighthouse! The event includes games, free food (hot dogs, burgers, cake, and ice cream sundaes), and even a bonfire with s'mores. This will be an awesome way to wrap up another great school year together. Come when you can, leave when you need to - ALL ages are welcome!

Thursday, July 11th - Day Trip to Lifest

Lifest is a 4-day Christian music festival that takes place every year in Oshkosh. Lighthouse will be taking a group up for the day on Thursday to see great artists including Ryan Stevenson, Katy Nichole, Newsboys, and We the Kingdom. We will leave from Lighthouse at 12:30 pm and be back around midnight. Lighthouse will cover the cost of tickets, but students should plan to bring their own money for food, activities, and/or souvenirs. Please also bring your own camping chair. RSVP to Christin by July 1st if you plan to attend.

ANNUAL MEETING WORKSHOP LINEUP OFFERS SOMETHING FOR EVERYONE

The Wisconsin Conference of the United Church of Christ is holding their Annual Meeting 2024 on June 7-8 at Green Lake Conference Center. If you are interested in being a delegate, please reach out to a council member or the church office at saukvilleucc@att.net.

You know you're going to experience great worship, music and preaching at Annual Meeting 2024. You'll also hear from speakers who will make you think and learn about the state of the Wisconsin Conference.

But we're also planning more than a dozen workshops that offer tools for strengthening ministry within congregations and to the wider community. Here are some of the sessions on tap:

Catalyst Grants: Sparking Church Innovation and Mission. The Conference Catalyst Team, which provides grants of up to \$5,000 for creative ministries, will offer examples of successful projects and help attendees understand what makes a strong grant application.

The Singular 'They': An Introduction to Understanding Gender/Gender Identity in Today's World. Gain a better understanding of the rapidly evolving spectrum of gender, using the Our Whole Lives sexuality education curriculum for adults. Topics will include biological sex, orientation, gender identity and pronouns.

It's A Small World After All. The Rev. Shari Prestemon, UCC acting associate general minister and co-executive of Global Ministries, will share the history of the UCC's work around the world and the ways in which the denomination's global witness and partnerships make a difference today.

Leadership Forward Campaign. Find out how your congregation can help strengthen leadership in local churches through the Leadership Forward Campaign, which supports the Damascus Project, Catalyst grants and care for clergy at every stage of their careers.

Where God Is Still Speaking on the Border and Back Home. Panelists will share their personal experiences at the Southern border and with immigrant-welcoming activities back home.

The New Culture of Congregational Care. How can our congregations support individuals dealing with dementia and those who care for them? This workshop will answer that question with examples of programs that have enabled churches to sustain relationships with dementia patients and their loved ones.
